

Environmental Compliance Statement

Dear Valuable Customers,

BRAVE Semiconductor Corporation (Brave) is committed to fully support our customers about the environmental and green production requirements. This statement declares the compliance with EU Directive 2011/65/EU and its amending 2015/863/EU (EU Directive 2002/95/EC was recast by 2011/65/EU) *on the Restriction of the use of certain Hazardous Substances in electrical and electronic equipment (Abbr. RoHS)*. The statement also shows the compliance with Sony Technical Standard SS-00259 *the Management regulations for the Environment-related Substances to be Controlled which are included in Parts and Materials*.

In addition, We reiterates the substances, listed in table 1, DO NOT present in our products, above a concentration of more than the Maximum Concentration Value set forth in EU RoHS and SONY SS-00259, EXCEPT the exemption clause 7 (a) was applied in some devices for the purpose of internal connection (high temperature melting solder was used as die attach and/or clip bonding)

Note: Exemption clause 7 (a) is “Lead in high melting temperature type solders (i.e. lead-based alloys containing 85% by weight or more lead”
